AMATEUR RADIO SOCIETY BANGLADESH

ARSB Member Represents Bangladesh at Tokyo Ham Fair 2025

Bangladeshi amateur radio operator Syed Nakib Ahmed (S21NKB) proudly represented the Amateur Radio Society Bangladesh (ARSB) at the prestigious Tokyo Ham Fair 2025 in Japan. His participation marked a historic milestone for Bangladesh, as he attended the event as an officially invited guest of the Japan Amateur Radio League (JARL).

During the event, Mr. Ahmed held important meetings with senior international leaders, including the President and Secretary of the International Amateur Radio Union (IARU) Region 3, as well as the current President of JARL. In these discussions, he extended a warm invitation for them to visit Bangladesh and witness the growing amateur radio movement firsthand.
